***Inc.* Magazine Unveils 36th Annual List of America's Fastest-Growing Private Companies—the Inc. 5000**

Advent Advisory Group Breaks onto the Exclusive 2017 Inc. 5000 List

NEW YORK, October 31, 2017 - *Inc.* magazine included Advent Advisory Group LLC on its 36th annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment— its independent small and mid-sized businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names who gained their first national exposure as honorees of the Inc. 5000.

"Inclusion on the 5000 List is a great honor for Advent and is a reflection of our strategy when we started the company just 10 years ago: approach each client as a long-term partner and continuously find ways to be more efficient and add value through the delivery of services we provide," said Advent CEO Jean Vertefeuille. "Also, we could not achieve this without our staff. They are the most knowledgeable and dedicated team who has demonstrated flexibility and resilience as we have leveraged our core competencies to respond to changes and opportunities in the health care market," she added.

"The Inc. 5000 is the most persuasive evidence I know that the American Dream is still alive," says Inc. President and Editor-In-Chief Eric Schurenberg. "The founders and CEOs of the Inc. 5000 tell us they think determination, risk taking, and vision were the keys to their success, and I believe them."
